

## Dental Provider Bulletin

From Molina Healthcare of Nebraska

06/01/2025

### Update- D8696 & D8697

Effective 6/1/2025, Molina Healthcare of Nebraska will be requiring documentation for D8696- Repair of Orthodontic Appliance (Maxillary) and D8697- Repair of Orthodontic Appliance (Mandibular) upon claims submission. Per the American Dental Association's Current Dental Terminology of 2025, D8696 and D8697 does include functional appliances and palatal expanders. It does not include brackets and standard fixed orthodontic appliances.

Documentation Requirements: Clinical documentation must include a description of the repair attached to the dental claim.

If you have any questions or need further assistance, please e-mail Molina Dental Provider Relations at [MDVSPProviderServices@molinahealthcare.com](mailto:MDVSPProviderServices@molinahealthcare.com).
